During this 5 day session attendees will gain insight into various areas of lay ministry available in today's Church. Participants will have the opportunity to learn how to put the social justice lessons learned each morning into action with worthwhile "hands on" experience by working in the community as well as sharing these experiences with each other during evening discussion time.

Leaders for Life

Many young people today identify as prolife; yet, they are unsure of their role within the pro-life movement. Inspired by this year's Respect Life theme, *Be Not Afraid*, the diocesan **Leaders for Life Conference** seeks to educate and empower young Catholics to consider what it means to develop a consistent ethic of life and to explore how they can build a culture of life in their own families, parishes, schools, and communities. **Through presentations, activities, and hands-on workshops, participants will engage in the prolife work of the Church and discover how to boldly proclaim respect for the inherent dignity of all human life from the moment of conception until natural death.**

The cost for this conference is **\$25 per person**. Scholarships are available if needed. (Youth & chaperones are also welcome to attend **only** this conference)
