

FAITH IN ACTION

Catholics in the Diocese of Little Rock are **living their faith through serving those in need**. As a Catholic community, we are called to help churches with a one-time financial boost to complete a much-needed project. By joining together as One Church, we can have a lasting impact on smaller congregations.

From September 2025 to August 2026, let's help St. Edward Church in Texarkana expand services to the homeless and hungry served by their **Outreach Center**.

Please pray for this project and give today. To give or for more information:
