

THE FAITH IS ALIVE

The faith is alive in the Diocese of Little Rock. As a Catholic community, we are led to mission and rural churches where we can give a one-time financial boost to complete a much-needed project.

All of us joining together as One Church can have a lasting impact on a small congregation. This year we have the opportunity to help Immaculate Heart of Mary Church in Magnolia realize its dream of expanding its parish center.

Please pray for this project and give today.
